

Dream Games Game Analysis Study

In this study, we want you to analyze the two games listed below;

- Royal Match
- Toon Blast

You must play the first 40 levels of each game and analyze them in terms of ;

- Game Mechanics
- Level Design
- Level Difficulty
- Graphics
- User Interface

Notes

1. You don't have to analyze the events (time-based features) of the games.
2. You can prepare your work in any format you prefer.
